also possible to hold single defendant criminal trials in St. George but the trials must be prioritized according to custodial status of the defendant and age of the case. Time under the Speedy Trial Act for all criminal cases, including this case, has been excluded from March 16, 2020, through June 30, 2021, based on the “ends of justice” due to issues relating to the coronavirus outbreak in Utah and nationwide. But even then, only one trial at a time can be held.

It is imperative that counsel not hold trial dates that will not be used for a trial.

Counsel must consult with their clients and witnesses and keep the court informed.
